

A diagram of an A7 paper size. It features a light pink background. A white rectangle is centered on the page. Inside this rectangle, there are two nested dashed lines: an inner pink dashed line and an outer black dashed line. The text 'A7' is centered in the white area. Below it, the dimensions '105mm x 74mm finished size' and '111mm x 80mm with bleed' are listed. At the bottom of the diagram, three labels with arrows point to the corresponding lines: 'Safe Zone - all text should be within this area' points to the pink dashed line, 'Cut line - finished print size' points to the black dashed line, and '3mm Bleed - this area will be removed' points to the space between the two dashed lines.
